

REMARKS

Applicant respectfully requests that the above described amendments be made part of the official record in the present application and that they be considered by the Examiner.

Applicant respectfully submits that support for the new claims is present in the specification, claims and drawings of the application as originally submitted. Specifically, with respect to the claim elements reciting etching of a injection molding die within an injection molding system, support can be found on pages 4 and 6 of the specification as originally filed.

Applicant submits herewith a petition of extension of time for two months.

Respectfully submitted,

DERGOSITS & NOAH LLP
